Just Click for Service!

- Techs are U.S. citizens
- Plain English
- No technical jargon

RESCUECOM®

RESCUECOM® Internet Security Suite

(Included for free with the RESCUECOM® Unlimited Computer Support Subscription™)

Total Virus Protection

Never Get Another Virus Again

- Ⓜ Locks down your system from hackers and identity thieves
- Ⓜ Powerful antivirus toolkit
- Ⓜ Free automatic updates daily
- Ⓜ Easy-to-use cloud-based antivirus for faster and more effective protection

The screenshot displays the RESCUECOM Internet Security Suite interface. At the top, it says "Welcome to the Rescue File Creation Wizard" and "RESCUECOM Internet security suite". A green checkmark indicates "system is secured". The interface is divided into several panels, each representing a different security feature:

Module	Status	Key Metrics
file anti-virus	started	Dangerous Objects Detected 0, Total Sites Scanned 0
web protection	started	Total Sites Scanned 0, Total Sites Blocked 0
privacy control	started	Next Scheduled Cleanup Not Scheduled, Last Cleaned On Not Yet Cleaned
mail anti-virus	started	Total Mails Scanned 0, Total Infected Objects 0
firewall	started	Inbound Packets Blocked 0, Outbound Packets Blocked 0
cloud protection	started	Safe data 133,459,374, Dangerous data 55,608,072
anti-spam	started	Total Quarantined Mails 0, Total 0
endpoint security	started	Total Applications Allowed 600, Total Applications Blocked 0

At the bottom, there are buttons for "Scan" and "Update", and a footer with "Rescue Mode | Password | License Information | Tools".

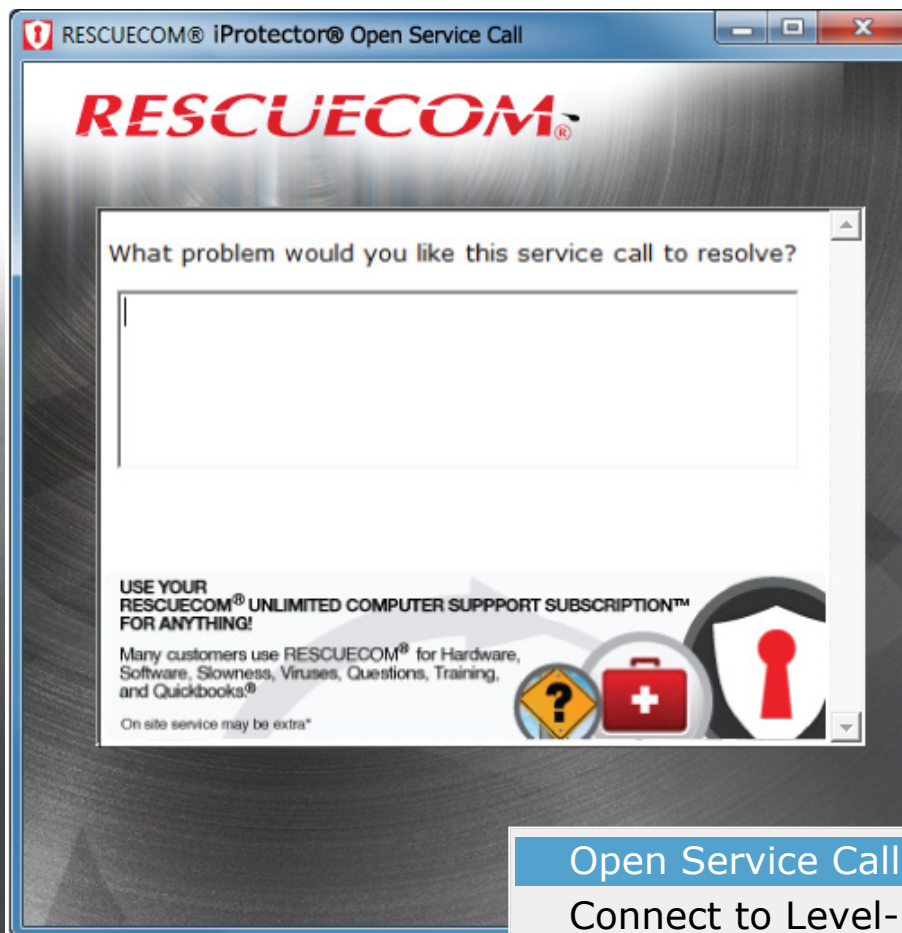

RESCUECOM®

Satisfied Customers!

What Actual Customers Are Saying

About RESCUECOM®

“Very good advice was given on how to **protect**
[my] **computer** from attack”

“LIKE HAVING YOUR OWN **COMPUTER**
BODYGUARD”

“You were a **life saver!**
Excellent service, the technician knew exactly what to do.
He **rescued my computer!**”

“sense of
personal security
...in this increasingly **dangerous**
world”

“Did what **two other companies**
couldn't or wouldn't do~
fix my computer.”

“Very knowledgeable and fast. Helpful and
understanding of us 'non-tech' users.”

“Resolves problems satisfactorily when they arise and are
eager to get it right the 1st time.”
